The Consumer And Business Lending Initiative

U.S. Department of Treasury

March 3, 2009

The Term Asset-Backed Securities Loan Facility (TALF), a component of the Consumer and Business Lending Initiative (CBLI) is launched. The TALF has the potential to generate up to \$1 trillion of lending for businesses and households. The TALF is designed to catalyze the securitization markets by providing financing to investors to support their purchases of certain AAA-rated asset-backed securities (ABS). The TALF will assist lenders in meeting the borrowing needs of consumers and small businesses, helping to stimulate the broader economy.
